**GAWLER HIGH SCHOOL**  
**PARENT COMPLAINT POLICY & PROCEDURE**

The purpose of this policy is to provide clear and transparent information to parents, the community and staff on how parent/caregiver concerns and complaints will be managed and resolutions found.

At Gawler High school we believe that the safety and educational wellbeing of our students is our first priority.

We will work in partnerships with parents/caregivers to resolve any concerns and complaints that they may have about heir child’s schooling.

We acknowledge that parents have the right to raise concerns and complaints about their child’s school life and that they will be treated with respect and courtesy during the process.

We also believe that wherever possible, complaints should be resolved at the school level.

When staff work with parents/caregivers to resolve a complaint or concern they will follow a process that is founded on fairness, impartiality, accessibility, respect and responsiveness.

Parents/caregivers can expect that their concern or complaint will be responded to in a courteous, respectful and timely manner and considered on its merits and without prejudice arising from any previous contact that a parent/caregiver may have had with the school. Staff will work in partnership with them to resolve the concern or complaint.

In return we expect that parents be respectful, co operative and courteous to staff and that they will be realistic and reasonable about what course of action is required to resolve the concern or complaint.
